Concept

His pieces make up his very own inner landscape, an inner landscape seen through the pursuits of vision, like a journey to his personal world and by no means far away from time. They are set in the continuity given by the act of looking when this is understood as the conductor thread.

Biography

Lluís Hortalà was born in Olot Spain, in 1959. He lives and works in Girona. He is represented by F2 Gallery in Madrid, Spain.
