## IMO

Piedras,  
Barcelona, 2018  
Wood

Measurements  
Size S

Available in different sizes (S-M-L)

Price  
€ 800

### Concept

IMO is the result of the union between simplicity, an aesthetic teaching, the pleasure of observing and the feeling of longing for the old. Piedras appears from the experiences of the Catalan "country side". Contemplating the people of the villages where natural and everyday objects acquire a double use (stones, trunks or same ground). They are used both for burning and for sitting. Made on request.
